

REMARKS

In the above Office Action, the Examiner indicated that claims 5, 7, 11-13 and 18-28 contained allowable subject matter.

New independent claim 29 is a combination of claims 1, 2 and 5; and claims 30 and 31 depend from claim 29; independent claim 32 is a combination of claims 1 and 7 and claims 33 and 34 depend from claim 32; independent claim 35 is a combination of claims 1 and 11; independent claim 36 is a combination of claims 1 and 12 and claim 37 depends from claim 36; independent claim 38 is a combination of claims 1 and 18 and claims 39 and 40 depend from claim 38; independent claim 41 is a combination of claims 1 and 21 and claims 42 and 43 depend from claim 41; claim 44 is a combination of claims 1 and 24 and claims 45 and 46 depend from claim 44; claim 47 is a combination of claims 1, 2, 3, and 24 and claims 48-52 depend from claim 47 and claim 53 is a combination of claims 1 and 26. Thus all of claims 29-53 contain the subject matter of an allowable claim.

Finally, independent claim 54 is a new claim like original claim 1, but containing both the light reflector plate and the display film. While there was no claim before corresponding to claim 54, it is believed it is not anticipated by Matsumoto because Matsumoto does not appear to disclose both a light reflector plate and a display film as claimed.

It is believed claims 29-54 are in condition for allowance.

Also enclosed is a proposed correction in red to Figure 12 correcting an obvious error together with a formal corrected copy of Figure 12.

In view of the foregoing amendments and remarks, Applicant respectfully requests reconsideration and reexamination of this application and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
